

Herbs

March 2020

*** All herb flowers are bee friendly**

Comfrey 1l - £4.00

- Hardy Perennial.
- Fast growing plant with many uses and a valuable source of fertility for the gardener – compost activator, liquid fertiliser and mulch.
- A mature comfrey plant can be harvested up to four or five times a year.
- It is ready for cutting when about 2 feet high.
- Will rapidly re-grow, and will be ready for further cutting about 5 weeks later.
