Roses

Mid-April/Early May 2020

All roses in 4l pots - £10.00

HYBRID TEA

- **'Simply the Best'** – Intense coppery orange flowers produced evenly over the whole plant. The flowers have a heady perfume. Mid-green foliage with reddish growing tips. Long flowering period. Extremely disease resistant. Height: 90cm.

- **'Special Anniversary'** – Well-formed deep pink blooms with a powerful fragrance are carried above glossy foliage. Ideal for borders and tubs. Height: 90cm. Spread: 60cm.

- **'White Perfumella'** – Pure white, very fragrant blooms. Tall long stems and upright growth – good for cutting. Height & Spread: 1m.

FLORIBUNDA

- **'Arthur Bell'** – Large creamy yellow blooms. Very fragrant. Medium sized rose with a bushy habit and glossy foliage.

- **'Ebb Tide'** – Attractive purple flowers produced in clusters. Well scented. Compact habit with dark green foliage. Height: 75cm. Spread: 60cm.

- **'Rhapsody in Blue'** – Large semi-double flowers of iridescent purple fading to purple slate-grey as they mature with a strong scent. Repeat flowering. A tall growing bush. Height: 1.2m.

PATIO/MINATURE

- **'Flower Power Gold'** – Masses of golden-yellow flowers in plentiful clusters that hold their colour well. A compact bushy plant with dense, bright-green foliage with very good disease resistance. Looks great in a container. Height: 50cm. Spread: 45cm.

- **'Pink Pirouette'** – Dark, shiny foliage makes a super background for the prettily formed blooms. Unusually good scent for a patio rose. Height & Spread: 50cm.

- **'Red Rascal'** – Rich bright crimson and well-shaped blooms. Compact and bushy with glossy dark green leaves. An excellent choice for a low growing hedge or borders. Height & Spread: 50cm.

- **'Wildfire'** – Vibrant rose, ideal for beds, containers and patio tubs, and whose flaming orange shapely flowers cover the compact plant from summer to autumn, creating a blaze of colour. Height & Spread: 55 – 65cm.

CLIMBING MINATURES

- **'Open Arms'** – Small well-formed flowers are a soft, shell-pink in colour showing bright yellow stamens when fully open. Height: 3m. Spread: 1.5m.

CLIMBERS

- **'Aimee Vibert'** – An old rambling rose with small clusters of pure white, strongly scented medium sized blooms. Height: 3m. Spread: 2m.

- **'Joseph's Coat'** – A slightly scented rose with petals changing from yellow through to orange to cherry red with age. May be grown as a shrub or climber. Height: 1.8 – 3m.

- **'Scent from Heaven'** Orange-salmon blooms complimented by glossy foliage. Pointed buds open to a classic hybrid tea shape flower with a rich fruity fragrance. Flowers freely throughout the season. Height: 3 – 3.5m.

SHRUBS

- **'Ferdinand Pitchard'** – Strong scented double pale pink flowers with crimson stripe and splashes. Repeat flowering. Very healthy rose with large pale leaves. Height: 1.5m. Spread: 1.2m.

- **'Jacqueline du Pre'** – Semi-double, blush white flowers, with golden stamens. Strong lemon fragrance. Bushy and vigorous growth. Height & Spread: 90cm.

- **'Sarah van Fleet'** – Mallow-pink, semi-double flowers with a strong scent throughout summer. Vigorous grower, suitable for hedging. Height: 1.5m. Spread: 1.2m.
