

# Roses

June 2021

## HYBRID TEA

- **'Deep Secret'** - Large deep crimson blooms. Medium sized rose with a bushy habit and matt foliage. Height & Spread: 80cm. **Very fragrant.**
- **'Silver Anniversary'** – White flowers with a hint of palest lemon. Vigorous upright habit. Height: 75cm Spread: 60cm. **Fragrant.**
- **'Simply the Best'** – Intense coppery orange flowers produced evenly over the whole plant. The flowers have a **heady perfume**. Mid-green foliage with reddish growing tips. Long flowering period. Extremely disease resistant. Height: 90cm.
- **'Special Anniversary'** – Well-formed deep pink blooms with a **powerful fragrance** are carried above glossy foliage. Ideal for borders and tubs. Height: 90cm. Spread: 60cm.

# FLORIBUNDA

- **'Arthur Bell'** – Large creamy yellow blooms. **Very fragrant.** Medium sized rose with a bushy habit and glossy foliage. Height: 90cm. Spread: 80cm.
- **'Rhapsody in Blue'** – Large semi-double flowers of iridescent purple fading to purple slate-grey as they mature with a **strong scent.** Repeat flowering. A tall growing bush. Height: 1.2m.
- **'Ruby Celebration'** - Long lasting blooms of deep crimson. Repeat flowering. Height and Spread: 60cm. Light fragrance.

# SHRUBS

- **'Ferdinand Pitchard'** – **Strong scented** double pale pink flowers with crimson stripe and splashes. Repeat flowering. Very healthy rose with large pale leaves. Height: 1.5m. Spread: 1.2m.
- **'Jacqueline du Pre'** – Semi-double, blush white flowers, with golden stamens. **Strong lemon fragrance.** Bushy and vigorous growth. Height & Spread: 90cm.
- **'Comte de Chambord'** - Deep pink double flowers with **strong old rose fragrance.** Strong, upright shrub with prickly stems. Height: 1.2m. Spread: 90cm. Can be grown in large containers.

## PATIO/MINATURE

- **'Flower Power Gold'** – Masses of golden-yellow flowers in plentiful clusters that hold their colour well. A compact bushy plant with dense, bright-green foliage with very good disease resistance. Looks great in a container. Height: 50cm. Spread: 45cm.
- **'Red Rascal'** – Rich bright crimson and well-shaped blooms. Compact and bushy with glossy dark green leaves. An excellent choice for a low growing hedge or borders. Height & Spread: 50cm.
- **'Wildfire'** – Vibrant rose, ideal for beds, containers and patio tubs. Flaming orange shapely flowers cover the compact plant from summer to autumn. Height & Spread: 55 – 65cm.

## CLIMBERS

- **'Joseph's Coat'** – A slightly scented rose with petals changing from yellow through to orange to cherry red with age. May be grown as a shrub or climber. Height: 1.8 – 3m.
- **'Scent from Heaven'** - Orange-salmon blooms complimented by glossy foliage. Pointed buds open to a classic hybrid tea shape flower with a **rich fruity fragrance**. Flowers freely throughout the season. Height: 3 – 3.5m.
- **'Golden Showers'** - Large semi-double blooms of golden-yellow fading to cream. **Fragrant**. Flowers freely and continuously. One of the best roses for a north facing wall. Height: 2.4m.
- **'Starlight Symphony'** - Large clusters of white flowers open to reveal pink-tinged stamens. Flowers prolifically throughout the summer. **Subtle spicy perfume**. Height & Spread: 2.5m. Can be grown in large containers. **Attractive to bees**.
